Opening Remarks	xi
 Extended Abstracts of Presented Papers	
 ORAL PRESENTATIONS	
 Session 1: National Overviews	
<i>(chaired by John H. HELLE)</i>	
Canadian Coastal and High Seas Juvenile Pacific Salmon Studies <i>Richard J. BEAMISH, Marc TRUDEL, and Ruston SWEETING</i>	1
Research on the Early Life History of Chum Salmon in Korea <i>Sukyung KANG, Chae Sung LEE, Ki Baik SEONG, and Cheul Ho LEE</i>	5
Russian National Overview of Juvenile Pacific Salmon Research during 2001–2005 Period <i>Vyacheslav P. SHUNTOV, Olga S. TEMNYKH, and Victor G. EROKHIN</i>	7
Overview of Current Juvenile Salmon Research by the United States <i>John H. HELLE, Lisa B. EISNER, Edward V. FARLEY, JR., Ellen C. MARTINSON, Angela MIDDLETON, Jamal H. MOSS, James M. MURPHY, Molly STRUDEVAN, Joseph A. ORSI, John POHL, Molly V. STURDEVANT, Alex C. WERTHEIMER, Bruce L. WING, Richard D. BRODEUR, Robert EMMETT, Cynthia BUCHER, Bruce MACFARLANE, Jeff HARDING, Arnold AMMANN, and Cristian E. ZIMMERMAN</i>	12
Overview of Juvenile Salmon Research in Japan from 2001 to 2005 <i>Jiro SEKI</i>	14
 Session 2: Seasonal Distribution and Migration	
<i>(chaired by Sukyung KANG and Shigehiko URAWA)</i>	
Juvenile Salmon: Migration Routes and Survival Results from the Demonstration Phase of the Pacific Ocean Shelf Tracking Project (POST) <i>Gerry KRISTIANSON and David WELCH</i>	17
Results of Pioneering Studies of Pacific Salmon Early Marine Life on the Sakhalin Island Shelf <i>Vladimir I. RADCHENKO, Alexander O. SHUBIN, Leonid V. KORYAKOVTSSEV, and Tatiana A. MALINYAK</i>	19
Distribution and Growth of Juvenile Chum Salmon in the Abashiri Bay, Eastern Hokkaido, in Relation to Sea Surface Temperature <i>Yasuyuki MIYAKOSHI, Makoto FUJIWARA, Daisei ANDO, Hiroshi SHIMADA, Mayumi SAWADA, Hiroki ASAMI, and Mitsuhiro NAGATA</i>	21
A Summary of Juvenile Salmon Research along the Eastern Bering Sea Shelf by the Ocean Carrying Capacity Program, August-October (2000-2005) <i>Edward V. FARLEY, JR., James M. MURPHY, Lisa EISNER, and John H. HELLE</i>	23
Seasonal Distribution and Migration of Juvenile Chum Salmon <i>Alexander N. STAROVOYTOV</i>	26
Winter Distribution of Chum Salmon Related to Environmental Variables in the North Pacific	

Masa-aki FUKUWAKA, Shunpei SATO, Satoru TAKAHASHI, Takeshi ONUMA, Osamu SAKAI, Naoki TANIMATA, Keita MAKINO, Nancy D. DAVIS, Anatoly F. VOLKOV, Ki Baik SEONG, and Jamal H. Moss 29

Origins of Young Chum Salmon in the North Pacific Ocean during the Winter: Rapid Estimates by SNP Markers
Shunpei SATO, Lisa W. SEEB, James E. SEEB, Masa-aki FUKUWAKA, Satoru TAKAHASHI,
and Shigehiko URAWA 31

Time and Spatial Distributions by Age Classes of Chum Salmon in the Central North Pacific and the Bering Sea
Tomonori AZUMAYA and Toru NAGASAWA 33

Session 3: Trophic Linkages, Feeding and Growth Changes

(chaired by Vladimir I. KARPENKO)

Spatial Patterns in Consumption Demand and Growth Potential of Juvenile Pink Salmon (*Oncorhynchus gorbuscha*)
in the Gulf of Alaska
Jamal H. MOSS, David A. BEAUCHAMP, Alison D. CROSS, Edward V. FARLEY, JR., John H. HELLE,
and Katherine W. MYERS 35

Distribution and Growth of Juvenile Pink Salmon in the Coastal Waters of Eastern Hokkaido Determined with
Otolith-Marking
Makoto FUJIWARA, Yasuyuki MIYAKOSHI, Daisei ANDO, Hiroshi SHIMADA, Mayumi SAWADA, Hiroki ASAMI,
and Mitsuhiro NAGATA 37

Trophic Position on Pacific Salmon Juveniles in the Western Bering Sea Epipelagic Communities during Autumn
Svetlana V. NAYDENKO, Alexander Ya. EFIMKIN, Anatoly F. VOLKOV, Natalia A. KUZNETSOVA,
and Natalia S. KOSENOK 40

Diurnal Feeding Rhythm of Plankton-Eating Salmon Juveniles in the Kamchatkan Waters of the Bering and Okhotsk
Seas
Vladimir I. KARPENKO and Maxim V. KOVAL 42

Diel Energy Consumption and Food Requirements by Juvenile Sockeye Salmon during Their Fall Migration in the
Okhotsk Sea
Maxim V. KOVAL 45

Session 4: Climate Changes and Ocean Ecosystem

(chaired by Toru NAGASAWA)

Foodweb Dynamics and Trophic Interactions among Juvenile Pacific Salmon in the Bering Sea Ecosystem
Asit MAZUMDER, Marc TRUDEL, and Edward V. FARLEY, JR. 48

Ocean Changes in the Strait of Georgia Indicate a Need to Link Hatchery Programs, Fishing Strategies and Early
Marine Studies of Ocean Carrying Capacity into an Ecosystem Approach to Manage Coho Salmon
Richard J. BEAMISH, Ruston M. SWEETING, Chrys M. NEVILLE, and Krista L. LANGE 49

Where, When, and How Does Mortality Occur for Juvenile Chum Salmon *Oncorhynchus keta* in Their First Ocean
Year?
Masahide KAERIYAMA, Akihiro YATSU, Hideaki KUDO, and Seiichi SAITO 52

Session 5: Population Size and Survival Estimates

(chaired by Richard J. BEAMISH)

Inter-Annual Patterns in Stage-Specific Feeding, Growth, and Survival of Juvenile Pink Salmon in the Gulf of
Alaska

<i>David A. BEAUCHAMP, Alison D. CROSS, and Jamal H. MOSS</i>	56
Linkage between Early Ocean Life and Adult Returns of Chum Salmon in the Strait of Nemuro, Japan <i>Toshihiko SAITO, Ikutaro SHIMIZU, and Jiro SEKI</i>	59
Overwinter Mortality and Energy Depletion in Juvenile Pacific Salmon off the West Coast of British Columbia and Alaska <i>Marc TRUDEL, Mary E. THIESS, John F.T. MORRIS, John R. CANDY, Terry D. BEACHAM, David A. HIGGS, and David W. WELCH</i>	61
Coastal Migration and Survival of Juvenile Chum Salmon Estimated from Laboratory Analysis their Maximum Sustainable Swimming Speed <i>Kazumasa OHKUMA</i>	64

POSTER PRESENTATIONS

Genetic Stock Identification of Chum Salmon in the Summer Bering Sea 2004 <i>Shunpei SATO, Tomonori AZUMAYA, and Shigehiko URAWA</i>	66
Influence of Water Salinity on the Physiological Status and Distribution of Juvenile Chum Salmon in the Estuary of the Ola River of the Northeast Coast of the Okhotsk Sea <i>Elena IZERGINA, Igor IZERGIN, and Vladimir VOLOBUEV</i>	69
Genetic Stock Identification of Juvenile Chum Salmon Caught in the Okhotsk Sea during the Fall of 2003 <i>Shigehiko URAWA, Shunpei SATO, Natalia VARNAVSKAYA, Penelope A. CRANE, and Terry D. BEACHAM</i>	72
Seasonal and Annual Changes of Oceanographic Condition during Early Ocean Life of Chum Salmon in the Coastal Waters of Okhotsk Sea, Eastern Hokkaido <i>Mayumi SAWADA, Hiroshi SHIMADA, Hiroki ASAMI, Hajimu SATO, Yasuyuki MIYAKOSHI, Daisei ANDO, Makoto FUJIWARA, and Mitsuhiro NAGATA</i>	75
Growth Pattern and Seawater Tolerance of Precocious Male Sockeye Salmon <i>Masatoshi BAN</i>	78
Feeding Behavior of Pacific Salmon Juveniles in the Northern Okhotsk Sea during the Summer and Autumn of 1994-2000 <i>Natalia A. KUZNETSOVA</i>	79
Temporal Changes in Physiological Condition of Juvenile Chum Salmon and Zooplankton Biomass in a Coastal Water of the Okhotsk Sea <i>Toshiki KAGA and Jiro SEKI</i>	83
Comparison of Feeding Pattern of Pacific Salmon between the Western Subarctic Gyre and the Gulf of Alaska in Summer 2005 <i>Yosuke SAGAWA, Naoaki IMAI, Hideaki KUDO, and Masahide KAERIYAMA</i>	85
Spatial Distribution and Feeding Interactions between Chum and Pink Salmon Juveniles in the Coastal Water of the Okhotsk Sea in the Eastern Hokkaido <i>Mitsuhiro NAGATA, Yasuyuki MIYAKOSHI, Makoto FUJIWARA, Daisei ANDO, Hiroki ASAMI, Tomomi KANEKO, and Masaki IWABUCHI</i>	88
Trophic Linkages of Juvenile Chum Salmon in the Okhotsk and Bering Seas during the Last Decade <i>Alexander N. STAROVOYTOV</i>	92
Bioenergetics Model of the Japanese Chum Salmon (<i>Oncorhynchus keta</i>) Growth	

<i>Yasuko KAMEZAWA, Tomonori AZUMAYA, Toru NAGASAWA, and Michio J. KISHI</i>	95
Trophic Status of Young Ocean Chum Salmon Estimated by Lipid Analysis <i>Tetsuichi NOMURA and Toshiki KAGA</i>	99
<i>Influence of Sea Ice on Spring Phytoplankton Production and Foraging Period of Juvenile Salmon in Nemuro Strait Ikutaro SHIMIZU, Toshihiko SAITO, and Jiro SEKI</i>	101
Coastal Seawater Temperature during Early Ocean Life of Chum Salmon Measured by Satellite Remote Sensing and Its Effect on Their Return Rate in Eastern Hokkaido <i>Yasuyuki MIYAKOSHI, Mitsuhiro NAGATA, Makoto FUJIWARA, Atsushi MATSUOKA, and Sei-ichi SAITOH</i>	105
Visual Characteristics of Three Species of Salmonids Stocked from Japanese Hatcheries <i>Eiichi HASEGAWA</i>	107
Identification of an Olfactory Imprinting-Related Gene in Sockeye Salmon <i>Hiroshi HINO, Toshiharu IWAI, Masakane YAMASHITA, and Hiroshi UEDA</i>	110
Physiological Study on Imprinting and Homing Related Olfactory Functions in Salmon <i>Yuzo YAMAMOTO and Hiroshi UEDA</i>	113
A Comparison of Secondary Sexual Characters and Age Composition of Wild and Hatchery Chum Salmon (<i>Oncorhynchus keta</i>) in the Yurappu River, Southern Hokkaido in Japan <i>Naotaka IMAI, Yosuke SAGAWA, Hideaki KUDO, and Masahide KAERIYAMA</i>	115
Trends of Hormonal Levels in the Brain, Pituitary and Serum of Chum Salmon during Homing Migration <i>Minweylet MINGIST, Masafumi AMANO, Masatoshi BAN, Masa-aki FUKUKAWA, and Hiroshi UEDA</i>	117
Role of Non Governmental Organizations (NGOs) in Mitigating Threats to Salmon and Their Marine Environment <i>Petr SHAROV and Konstantin ZGUROVSKY</i>	120
Congruence of Population Genetic Profiles Obtained from Mitochondrial and Microsatellite DNA Analyses in the Pacific Rim Chum Salmon Populations <i>Moonguen YOON, Shunpei SATO, Noriko AZUMA, James E. SEEB, Vladimir BRYKOV, Lisa W. SEEB, Natalia VARNAVSKAYA, Richard L. WILMOT, Deuk-Hee JIN, Shigehiko URAWA, Akihisa URANO, and Syuiti ABE</i>	121
Energy Consumption and Expenditure of Juvenile Salmon during Post-Catadromous Feeding Migrations in the Okhotsk Sea <i>Viktor G. EROKHIN and Valentina I. SHERSHNEVA</i>	124
Estimation of Pink and Sockeye Salmon Adult Returns to Western Kamchatka Based on the Data of Juvenile Salmon Trawl Catches in the Okhotsk Sea <i>Viktor G. EROKHIN</i>	128
Video Analysis of the Schooling Behavior of Juvenile Chum Salmon under Light and Dark Conditions Using a Mathematical Model <i>Katsuya SUZUKI, Tsutomu TAKAGI, and Kazushi MIYASHITA</i>	131
Workshop Review	133
List of Participants	134
